STAT

[] the DDS student at the
National War College, is about the brightest
light in the current class.

The Agency presentation to the college
was superior. Ironically, however, it was
so good and so heavily loaded with senior
officers that some of the students thought
they had been subjected to a little PR
overkill.

-- o --

The rumor at the War College is that
the President's skull session in Florida is
because he is very concerned about the high
price of intelligence. This does not mean
us; it means military and other intelligence.
